February 2019 Volume 33 (11)

Please email all copy to [nuttree.editor@yahoo.com](mailto:nuttree.editor@yahoo.com) or post to 'Tremaye' Downderry by the 17<sup>th</sup> of the preceding month. We try to ensure a monthly copy arrives on the doorstep for each resident of St Germans and Devoeck parishes, with useful information about the community news and event. We welcome any new contributors, however we do not advertise commercial businesses.

## Nature

Several days in the first half of January have been mild enough to encourage several insects to emerge. I have already noted the odd wasp, hoverfly and bumblebee. In past years a Small Tortoiseshell butterfly has been flying around the house, having hibernated in a dark recess. It is not unusual to observe a large queen Buff-tailed Bumblebee on warm days as it visits garden flowers and catkins at this time of year. Encouraged by the warmth the bee has to restore energy lost during its long hibernation, but in poor weather it will return to a shelter perhaps with other queens. Individuals have been observed emerging from crocuses early in the morning suggesting that they spent the night there.

A good time to observe queens is in March as blackthorns come into flower. It is at this time that they will be searching out nest sites, an activity that will continue until May. Spring is a good time to identify different species because most bumblebees will be well-marked queens. At this point it is worth emphasising the importance of gardens for insects, especially if you are able to grow the grass long, retain hedges and compost heaps, leave a few untidy areas, avoid pesticides and grow flowers rich in nectar. Some bees will also nest in your outhouse or garden shed. Be brave and be rewarded.

## **From the Parishes – St Germans**

First some good news. Whilst Cornwall council tax may rise by 3.9% the Parish part (precept) for St Germans Parish will remain the same.

Most of you may have seen the speed warning flashing sign in Polbathic. When it was not flashing it was still recording traffic speeds.

From an earlier survey we found that westbound traffic from Torpoint to Trerulefoot goes through Polbathic at an average speed 2 miles per hour higher than eastbound traffic.

The latest survey showed that the speed of the slower moving traffic (eastbound) had an average speed of 36.5 miles per hour in the 30 limit – and that over 30% of traffic was over 40mph and that 1.8% of vehicles were over 55mph in the 30 limit - that is 250 vehicles in 9 days. As a result of this and other traffic\parking problems being raised with Councillors, we are going to run public traffic consultations to see how we can help to address these and other concerns.

We have booked the following:

Monday 1<sup>st</sup> April 2019 at Tidford British Legion from 2pm - 8pm

Thursday 4<sup>th</sup> April 2019 at Polbathic Village Hall from 2pm - 8pm

Wednesday 1<sup>st</sup> May 2019 at the Eliot Hall St Germans from 2pm – 8pm

These consultations are to give you the opportunity to talk with your Councillors about traffic issues generally and propose your solutions to the problems as you see them. We hope to have maps, charts and even the reasons why some solutions work and some don't. This will be followed by a survey both online and paper to give a better overall plan.

The information that we have now is that speed visor signs can reduce excessive speeding by 50%. The Council think that two signs are necessary in Polbathic with new road markings so at the Polbathic meeting we will want to know the best position etc and you can help.

At Tidford two big issues are the air quality and the A38 but we do not want these to obscure smaller changes that could make your life better as far as traffic matter – things like residential parking rules to ease obstructions, better vision on junctions, etc.

At St Germans complaints have been raised about obstructive parking, visibility, the exit from the Eliot Arms and Village Shop, damage to the Old White House, Festival traffic and speeding.

We hope to see you at one of these sessions as this will help us to help you.

## **News from Cornwall Council - Richard Pugh**

On 1<sup>st</sup> January 2019 the energy price cap came into force on gas and electricity charges in Great Britain. The cap has been set to ensure energy prices are fair, in line with changes to the underlying costs of providing the gas and electricity that heats and powers our homes rather than suppliers profiteering. Around 11 million customers in England, Scotland and Wales who were on default tariffs-such as standard variable tariffs-will benefit from the cap. It means that suppliers must cut the price of their default tariffs to the level of the cap or below it. Customers using a typical amount of gas and electricity will immediately be around £76 better off with those on the worst deals saving about £120. Default tariffs are a basic deal from suppliers and are usually the most expensive you could be on. Over half of all households in Britain are stuck on default tariffs because they have never switched or done so recently. Find out more on the Ofgem website. More than a third of homes in Cornwall which had a house fire in the last year did not have a smoke detector. Of the 304 house fires attended by firefighters from Cornwall Fire and Rescue service (CFRS) between 1<sup>st</sup> January and 1<sup>st</sup> December 2018, 120 did not have a smoke detector and in a quarter of cases where a smoke detector had been installed the device did not activate. Cornwall Fire and Rescue service will fit smoke detectors as part of free Home and Fire safety checks offered to the more vulnerable members of our community. Firefighters visit more than 5000 homes across Cornwall each year to give advice and it is very easy to request a visit. Please contact the Fire and rescue service. Finally I would like to wish everybody who receives the Nuttree a wonderful 2019. If I can help anybody with Council related issues please contact me on 01503 220768 or [richard.pugh@cornwallcouncillors.org.uk](mailto:richard.pugh@cornwallcouncillors.org.uk)

## Green Tips

In last month's Nut Tree I commented about Climate Change. Here are a few more suggestions for things you can do to help.

**Tree and hedge planting.** One of the most important protectors of the planet are trees. Not only do they absorb carbon from the atmosphere, but in heavy floods they also help reduce soil erosion. The UK has only 8% of tree cover, compared to 35% in mainland Europe.

Tree planting can be done any time until early April. Easy to grow and of good wildlife value are oaks, limes, willow, birch, cherry, apples, rowan and beech. Of course we don't all have space to plant trees, so a good alternative is to have others plant them for you. Becoming a member of the Cornwall Wildlife Trust or Woodland Trust will support the work they do.

Equally valuable to tree planting and something most of us can do, is to replace fences with wildlife hedges. These can make a most attractive garden border. Plant a wildlife mix of blackthorn, hawthorn, guelder rose, hazel, field maple, crab apple, wild cherry and dog rose and in years to come you can enjoy birds feasting on the fruits of your labours.

**Want to green your web use?** Switch to the search engine Ecosia. It works really well and uses its profits to plant trees. 46 million so far!

Finally some **low carbon food tips** from Mike Berners-Lee's excellent book *How Bad Are Bananas?*

"Eat what you buy. Ask people how much they'd like before you serve them. Eat the skins, clean the plates, pick the carcass, save the leftovers. Check what needs eating when you plan your menus. Keep vegetables in the fridge if you can. Rotate the contents of your cupboards so the old stuff is at the front. Eradicating waste is worth a 25% carbon saving for the average shopper."

## St Germans & District Garden Club

What a great start to the New Year! Our talk in January was by Gary Long, the head gardener at Trewithen Gardens. He gave us an amazing talk on the history of the gardens from the 18<sup>th</sup> century to the present day. We had a 'Virtual Tour' to show us the gardens as they are now with an insight into the plans to restore them to their original layout.

This month our meeting is on Wednesday 20<sup>th</sup> February at 7.30pm in the Eliot Hall when David Eno is giving a talk on 'Understanding Plants for better gardening'. Visitors are always welcome.

## No Rules Pumpkin Competition 2019 Information for all competitive pumpkin growers....

Seeds from last years winner of 25 kg will be available from 1 March 2019. Please telephone 01503 230449 or call for details of where to collect the highly prized seeds. Just to reassure everyone there are no rules as to what you do to grow the plants. All you have to do is register your entry and collect the seeds. This year we hope to raise some money for charity so an entry fee of £1 is payable and you get 2 seeds plus a free melon seed, calculation of points will be done by multiplying weight by girth. It is hoped that enough pumpkins will be grown to let the school have them after judging for the school children to have them for the Halloween celebrations. I note that preliminary tilling of pumpkin growing beds has already taken place, it is never too late to get out in the fresh air and see what others are doing. Best of luck, hope you will take part . Martin Reed

## British Heart Foundation

Well done and thank you to Matilda (7) and Sebastien Duncan (6) from St Germans school because on Christmas Eve they sold home-made mince pies and coconut mice in St Germans in aid of the British Heart Foundation. They were very good sales people as they made £100.

## **St Germans Thursday Club AGM 28th February.**

Members (old and new): Have you submitted your nominations and/or volunteered for the committee yet? Let's keep the club lively at 46 years old, a village institution we can all enjoy. Why not consider membership? - only £10 yearly - for twice monthly activities in the Eliot Hall and on outings - stately homes, town visits, river trips, garden centres etc. We meet on the 2nd and 4th Thursday of each month.

Enquiries to Jenny Putt, Chairperson, 230766

See you on 28th Feb. 2:30 pm in the Eliot Hall for the AGM.

## **The Cornwall Link – Connecting Communities**

Have you heard of the Cornwall Link?

It is an online resource created by Age UK Cornwall and the Isles of Scilly for use by people of all ages to help them find and access the myriad of brilliant services and groups available in the community. Would you like more people to know about a group you run? Creating a listing is simple, free and with around a thousand new users visiting the Cornwall-wide site a month, could be well worth your while.

You can either fill in the online form at <http://cornwall-link.co.uk/submit-a-service/> or call 01872 266383 to get a personalised listing. You can even add your own photos, videos and website links if you want to.

## **Downderry and Seaton WI**

After last month's New Year lunch, first meeting of our singing group and visit to the chocolate factory at St. Eval, we now prepare for the coming year at our Annual Meeting on Tuesday 13th February at the Zone, 1.00 pm. Look forward to seeing you there! JD.

**The Copley Charity Bake Sale** in memory of Zachary Bradburn and held on December 22<sup>nd</sup> 2018 was a wonderful success. So many people came and we were all touched by how many of you baked or bought food. Thank you so much. Special thanks to my friend Claire who came down from Manchester to sing Christmas songs for the afternoon. It was a fantastic atmosphere and everyone was happy. I am proud to announce that we raised the amazing sum of £600 in memory of my lovely brother. This will be donated to Air Ambulance and Mind charities. Rachel Bradburn Collings.

## **News from Residents Association - DaSRA**

Two residents have joined the six-strong Committee of DaSRA. **Elsa Guilfoyle** will be known to many, having spent 8 years taking our phone calls to book a seat on the Community Bus. She now is happy to be a contact for residents who want DaSRA to act on community issues. **Matt Belding**, who previously lived in Downderry before moving to Seaton, now looks forward to talking to many Seaton residents about matters of interest in the west side of the village. You can reach Elsa, Matt and all other Committee members by emailing [info@dasra.co.uk](mailto:info@dasra.co.uk)

Those residents who attended the public meeting held at the Zone last November to hear Cornwall Rural Housing Association's plans for a development in Broads Yard may be wondering what is happening. Dave Gatland, DaSRA Committee Member following Planning Issues, has received an update from CHRA (11 Jan 2019) "*We confirm that it still our intention to submit a planning application for this scheme but as is often the way some elements are taking longer to complete than anticipated. However this does give us some extra time to consider all the comments we received at the consultation event both positive and negative*".

Do follow DASRA website - [dasra.co.uk](http://dasra.co.uk) - for latest information on Planning and other local news. Dates for diaries. **Beach Clean on Saturday 9th March** and 14 April. DaSRA Committee Member, Maura Swabey, is liaising with Looe Marine Conservation and Clean Cornwall to co-ordinate a Beach Clean on Downderry Beach on Saturday 9th March and on Seaton Beach on Sunday 14th April. DaSRA hope that "The Clean"will become a regular event, perhaps twice a year. More details will follow in next month's NutTree and on website [DaSRA.co.uk](http://DaSRA.co.uk) but do email [info@dasra.co.uk](mailto:info@dasra.co.uk) to express an interest in taking part. Laura Done, Chair, DaSRA.

## **Eliot Hall - Soup and Pudding Lunch**

**Eliot Hall Community Centre Tuesday 12 February 2019 12 - 2 pm**

Come and join us at the Eliot Hall in St Germans for the second soup and pudding lunch of 2019. Enjoy a bowl of warming soup and a delicious dessert for only £5 and meet friends new and old. Chance your arm in the raffle and finish off with a hot drink of your choice.

# **Port Eliot Festival Village Tickets Applications Open!**

Applications for village tickets are now open (hurrah!).

25<sup>th</sup> – 28<sup>th</sup> July 2019, St. Germans, Cornwall

We have decided to keep the process for buying village tickets online, there were some teething issues last year so thank you for bearing with us. We've since made some improvements which we are hoping will simplify things further you can read about these changes and access the online form via our website  
[www.porteliotfestival.com/village-tickets](http://www.porteliotfestival.com/village-tickets)

If you applied last year you know the process, and now you just need to log in and complete the form again, uploading your documents as proof of address for the village of St Germans. **You must do this for each Adult and Young Person you are requesting tickets for.**

**If you do not have the internet, then a paper version of the form can be collected from the village shop.** Applications will be reviewed and if everything is in order then we will respond with a ticket purchasing link. We plan to do this in April 2019. **The Applications deadline is Friday 26th April 2019.** Please email [info@porteliotfestival.com](mailto:info@porteliotfestival.com) if you have any questions.

## **St Germans & Area Public Transport Group**

**Bus Changes in May** - Representatives of Citybus have had various discussions in our area in recent months, and have two proposals which should please many people in Downderry, Seaton, Widegates and St Germans etc.

Citybus says: “This is where we stand at present: the service 75 will be removed from St Germans and will revert to its previous route via Widegates. This will see the journey time between Torpoint and Liskeard back to just under an hour. We will then introduce a service 71 that will operate from Liskeard to Menheniot, Polbathic, St Germans, Tideford, Landrake and will terminate at Saltash Fore Street. This will run 4 times a day in both directions. Anyone wishing to continue onto Plymouth has a much better location and choice to transfer at Saltash Fore Street. Anyone who wishes to travel to Looe can do so by changing buses at Tideford for the 72.”

Citybus will be keeping Parish Councils informed; and the Public Transport Group will keep you in touch with proposals. We hope to produce an easy to read May bus timetable for the new 75 and 71 services once we have the details.  
Alan Cousins (230106)

## **The Zone a fresh expression of the methodist church in Downderry**

### **The Chapel by the Sea**

The service for February is on Sunday 10th February at 5pm. This will be taken by The Reverend Jonathan Budd our Superintendent Minister. There will be refreshments after the service. We welcome anyone who wishes to join us.

### **St Germans and District Twinning Association**

Thank you to everyone that came and supported our Burns Night celebrations. It was a fantastic evening enjoyed by all. A special thank you to Val Dawson from the Liskeard Scottish dancing group for her superb 'calling' although it was far more along the lines of coaching, coaxing and organising an unruly rabble! We are preparing for our two yearly trip across the channel to spend early May bank holiday weekend with our Breton friends. It isn't too late to join us, if you fancy taking part. Membership to the association is £20 per year for adults, and free for children. You would need to book your own passage on the ferry, but on arrival we are accommodated and entertained wonderfully. It is a really good opportunity to learn a little more about the culture and lives of our near neighbours across the channel. Language is never a barrier - as dictionaries of old have become a phone app. so translation is very straightforward. However a few hours in it can be fun to communicate with the language of laughs and smiles over good food and drinks with friends. New 'twinners' are matched as closely as possible, and the weekend is always a mixture of 'free' time with our hosts, and communal events with the whole crowd. Please email me, Biddy on [biddy\\_daniel@yahoo.co.uk](mailto:biddy_daniel@yahoo.co.uk) if you'd like some more info....

### **Cornwall Hospice Care**

It was lovely to see so many of you last month. Hope to see you all again for the next **Baked Potato Lunch on Thursday 21st February 11.30am 1pm £5.**

### **Tideford Royal British Legion**

Welcome to the Soup and Pud lunch 2019! Saturday 16th February 12 to 1.30pm

Legion in the Community to support Legion funds. Delicious soups and puddings, enjoy a nice lunch to warm and treat yourself . Gluten free options available

## **Love Your Beach Day**

Thursday 14<sup>th</sup> February, 14:15 – 16:15, Millendreath

What better way to show your love for the beaches this Valentine's Day than to join our friendly group to clean Millendreath Beach near Looe? The kit is provided, all we ask is that you come along in suitable clothing and footwear. Under 18s must be accompanied by an adult.

## **Half term Rockpool Ramble**

Thursday 21<sup>st</sup> February, 12:00 – 14:00

Meet at Hannaford beach, West Looe, below the coastguard station

Come and join local experts as we explore the rocky shore, finding lots of the amazing critters that live on it! Learn about starfish, crabs, fish, anemones and lots more at this educational event that is guaranteed to satisfy the whole family. Booking isn't required for our rockpool rambles, but we do ask that all attendees come along with suitable footwear (no flip flops) and leave their nets at home as they can harm delicate rockpool creatures. Under 18s must be accompanied by an adult. For any more information, please contact looemca@gmail.com.

## **Letters**

### **Earthly Angels Spread Joy in Downderry**

... namely Maggie, Sandra, Ann and Jean ... who, with incredible generosity, produced a highly professional and utterly delicious Christmas Lunch for people who needed company and cheer on the big day. It was their gift to the Community and they were backed up by very generous donations, some from people who weren't even attending.

Those of us who enjoyed the very warm welcome, the friendship and wonderful meal, are so grateful to the ' Fabulous Four' and to their supporters. Your planning and dedicated work made Christmas Day 2018 very special.

Thank you, thank you everyone. Ann and Graham Danton

**I would like to thank** the fantastic four Maggie, Ann, Sandra and Jean who worked so hard and others who contributed behind the scenes. Such thought was put in to the day which was just wonderful. It was and is much appreciated. Many, many thanks, Tess.

## **Christmas Day Lunch**

Anne, Sandy, Maggie and Jean would like to say a big thank you to everyone who joined us on Christmas Day at the village hall and for all kind donations and good wishes. Any leftover goods and moneys have gone back into the community including a donation to the community bus. Blessings all round....x
