Nature

As we reach September in the birding calendar many of our summer migrants will have moved south or be passing through. Most Swifts have gone and Cuckoos are already back in Africa. At this time I look out for White Wagtails, the continental cousins of our familiar Pied Wagtails. They appear cleaner, almost immaculate as they feed on the beach and stand out from the scruffier Pied. They may stay for a few weeks before heading south. The Grey Wagtail, a close relative, breeds on fast-flowing streams and has already moved downstream; a favourite spot to see them is near the school in Downderry or the ponds in Seaton. Swallows and House Martins will still be seen all month, even into October. More Stonechats will appear along the coast to boost the local population and Wheatears will be feeding on coastal walls, buildings and rocks at low tide. On estuaries the number of waders such as Curlew and Redshank increases while at sea skuas, gannets, shearwaters and terns continue to pass by, perhaps even one of the less common species of gull. In the non-avian world keep an eye out for Ivy Bees whilst on sunny days there are still many butterflies and dragonflies on the wing.

As school time returns the Council are investing in the Play parks to make them fit for the next years. This means that the Treland Playground will be shut for a few days as the impact surfaces around the swings and slide are removed and replaced. Work is scheduled to start in the middle of September. Notices will be put up before work starts. Tideford Play area has a new horse all the way from Norway and more works are being planned. If you have any suggestions for use of the gap on the site where the skate ramp was please let us know by either contacting your Councillor or use the email address found on the web site. The emails and web site are under review and will be changed soon to comply better with Data Protection rules.

Parking in the villages is becoming more of a problem as the number of cars on the road continues to increase. The road layouts were fine when the largest vehicles were horse and carts doing 8 miles per hour. During the Autumn we are proposing to get the views of residents on the problem. We are planning to use maps etc in each Village Hall to gather opinions before looking for solutions.

News from Cornwall - Jesse Foot

Serving as a Cornwall Councillor involves two main roles; first, councillors have a duty to their local divisions and second to the community at large across Cornwall. My role as chair of the Licensing Act Committee covers both local and Cornwall wide concerns. When making decisions on licensing matters, the committee has a duty to promote the 4 licensing objectives - 1) The Prevention of Crime and Disorder, 2) Public Safety, 3) The Prevention of Public Nuisance, and 4) The Protection of Children from Harm. As well as promoting these objectives, the committee has to take heed of the views of other responsible authorities including the police, fire department, environmental health, and other interested parties like local businesses and residents. If any of these responsible or interested parties makes a representation regarding a licensing application, the matter is brought before the committee. In order to promote the 4 licensing objectives, the committee may impose appropriate and reasonable conditions covered by the Licensing Act. Under the act, Cornwall Council grants licenses to festivals like Boardmasters in Newquay. Boardmasters is the largest of its kind in the area with a capacity of roughly

50,000. The organisers of Boardmasters are very keen to promote the licensing objectives and work hard all year round to ensure the festival is a success for artists, attendees, and the surrounding community. In 2017, I visited the festival and was struck by the very young demographic in attendance. Most were under the age of 18, and I wanted to make sure all were doing their best to protect children from harm at the festival. Festival welfare is a big concern for the organisers leading them to increase the number of welfare staff at this year's event. While this increase in welfare staffing was welcome, I was still concerned for the wellbeing of the young crowd especially in light of a number of drug deaths in the area. My concern led me to The Loop - "The Loop is a not for profit Community Interest Company established in 2013 which provides drug safety testing, welfare and harm reduction services at nightclubs, festivals and other leisure events." While requiring The Loop to attend isn't necessarily something that can be conditioned under the licensing act, I hope that having The Loop at festivals will be seen as recommended best practice. I contacted the Loop at the beginning of the year asking if they would be at Boardmasters this year - they will only attend festivals with the support of the Police department. At the time, Devon and Cornwall police did not support the Loop approach; however, I kept the conversation going with officers, members, organisers, the police, and the Loop. Following a number of recent drug death tragedies and medical emergencies in Cornwall, the police changed their position, contacting me at the end of July, about a month before Boardmasters. With police support, Festival Organisers, Safer Cornwall, Cornwall Council and others - The Loop very quickly put together a team to attend Boardmasters where they provided anonymous drug-testing, counselling, and harm-reduction services with great success. They tested and destroyed a host of different drug samples sold on site, provided counselling for hundreds of young people, and put out warnings of some very dangerous drugs being mis-sold to this vulnerable festival group. Boardmasters 2018 was perhaps the most successful to date, and The Loop were part of that success. Having The Loop at Boardmasters reduced harm, prevented medical emergencies, and caused many young people to change their minds about how or if they would take any drugs they had been sold. For more information about the Loop, here is their website - www.wearetheloop.org - or get in touch and I would be happy to discuss with you personally. As always, I am here to help with any Cornwall Council related concerns - jesse.foot@cornwallcouncillors.org.uk or 07449372274. Gwella, Jesse"

Fisherman's Mission

The annual door to door collection in Hessenford for the Fishermen's Mission, also known as the Royal National Mission to Deep Sea Fishermen (RNMDSF), will take place in late September. A newly re-designed donation envelope will be left at every house and a volunteer will call to collect it within a few days. No resident of Cornwall can really be in any doubt about either the dangers facing the people working in the fishing industry or of the vital work of the Fishermen's Mission. If any encouragement do donate is needed, please take time to visit: <http://www.fishermensmission.org.uk/> Every contribution helps and a taxpayer can donate the tax they have paid on it already, by completing the gift aid form on the envelope. Not everybody will either wish or be able to support this charity. If this applies to you, please leave out the envelope in a prominent position or return the envelope empty at collection time. This will save the collector's time and avoid their calling at your house repeatedly if you are not at home.

The title of our talk was “Coastwatch in Cornwall “and it was given by Mr. David Parker who is a member of the National Coastwatch Institution and is based at Rame Head. He gave us a very interesting history of the service. It originated as the Coastguard to combat the loss of revenue to the King due to the activities of smugglers. Eventually in the early 1980s because of radar and the advances in technology, the Government decided to reduce visual watch and so many Coastguard Stations were closed. However as a result of a tragic accident off Bass Point, directly in front of the old station, the National Coastwatch Institution was formed in 1994. It is manned by volunteers who not only keep an eye on boats at sea, but also hang gliders and walkers. Weather conditions are also supplied to local radio stations. President Jackie Holland was pleased to tell us that our entry in Liskeard Show had received a Highly Commended Certificate. Our next meeting is Tuesday 4th September when our talk will be “Hadrian’s Wall” by Kim Byles.

Dowderry and Seaton Residents’ Association

- DASRA for short - has a newly elected Management Committee. We thought it useful for residents to know who we are so you can make contact, if you so wish. Laura Done - Chair; Dave Gatland - Vice Chair & Planning issues; Clare Glynn - Treasurer; Sandra Miles-Taylor - Secretary; Laurence Barnes & Maura Sawby. We can all be contacted on info@dasra.co.uk. We are a small committee and we hope to recruit new committee members over the coming months. Anyone interested in knowing more about joining us, please speak to any current member, or contact us at info@dasra.co.uk or phone Laura on 01503 250911. One of our first tasks is to get a DASRA website up and running. As well as keeping everyone up-to-date on what is going on in our area, we see the website as a resource to link residents to the many community organisations and local services that are active locally. If you would like your organisation to be profiled on the DASRA website, please contact us by email, info@dasra.co.uk. We are asking you to send us either a link to your own website, or if you do not have a website, to send us some copy describing what you do, with contact details, and we will include you on our list of local services. We plan to launch the website in early autumn, so we look forward to hearing from you as soon as possible. We will, of course, be able to add, and update, your details at a later date so do keep in touch. Laura Done

Best Practice

The Quay Lane Surgery Patients Participation Group (PPG) presented the Doctors and Staff with a huge bouquet of flowers and thank you card for doing so well in the Doctors Surgery Ratings in England recently. Quay Lane Surgery were voted as the best practice in East Cornwall, 6th best practice in Cornwall and appear in the top 3% of best practices in England. The Patient Participation PPG feels that it is such a great achievement, particularly in the current climate; they are grateful for all the hard work that the team put in and for taking good care of all their patients. They say that this rating proves that Quay Lane Surgery is amongst the best in the country! On behalf of the Doctors and Staff the Practice Manager, Debbie Todd would like to say a huge thank you to the PPG Members for their endless and continued support. Debbie says that it is vital that we have the support of our patients, involving them in the design, planning and delivery of the services that we offer. This helps to keep the standards high and ensures that we offer the services that our patients need. We are delighted with our rating and that patients rate the service that we provide so highly.

Seaton Butterfly garden.

We had a reasonably good turn out for the working party day, a big thank you to all of those who came to help. The weather was cooler, and the bin had been emptied, so we had a lot of filling up to do! The Garden is definitely looking much better, the next working party day is Monday 10th Sept, and we hope to keep going on the the second Mondays of the month, so we can continue to keep it great for the butterflies, bees and visitors. Don't worry if you don't know anything about gardening, and struggle to dig the persistent weeds, there's always things that need cutting or snipping back. If you could bring your own gardening gloves, and any portable gardening implements, it would be good, though I always have a few extra implements.

St Germans Thursday Club Yesterday afternoon (16th Aug) we had a very pleasant outing to Mt Edgecumbe - visiting the Barrow Centre (galleries/shops/cafe/fire engines!), and either strolling down to the lower garden, or using the very helpful shuttle-buggy. For a donation of 50p minimum, it makes the grounds doable for all. If you haven't been recently, do find out what's available. On a longer visit, we'll see more of the house and grounds, perhaps even explore the Folly. Our next trip on Thursday, 13th Sept. will be to the Otter Nursery at Brixton (just beyond Plymstock). Start time is 10:30 am at the Triangle, St Germans returning mid-to-end of the afternoon. Please phone Angela Williams to book - 230145. Then on the afternoon of 27th Sept we're in the Eliot Hall 2:30pm for Harvest Festival; please bring items for the Food Bank. Contact Jenny Putt for more information: 230766. All are welcome; we would welcome a 'harvest' of more members! report by Sue Cousins 230106.

Polbathic Players We are recruiting again for our next panto in January - February. Please contact 07799 210730 or email polbathic.players@gmail.com if you are interested in acting (some call it that) or helping in ANY way.

Pub Theology 2018

We meet in the Eliot Arms, St Germans between 7.30pm and 9pm. Topics: Strange aspects of the Bible. July 18th - Tower of Babel, September 12th - Angels, October 10th - Israel: ancient and modern, November 14th - Exorcism All welcome! Richard Laugharne (01503-230333).

Thanks

I would like to say thank you for all the support and friendship that I received during the months when my husband, Richard Mellor, was ill in hospital, at his funeral and in the days that followed. This help has meant a great deal to me and my family, and is so very much appreciated. Jenny Mellor

Hessenford News

Isn't it lovely that we've got more **Congratulations** to start our news again this month and this time it's for **Zöe & her dogs, Merlot & Rosco**, who took part in some handler tests with the Duchy Working Gundog Club. Merlot managed to get in the run off for 1st place with a score of 74, but was beaten by two great young dogs into 3rd place! Rosco completed his first ever test very well with just one zero. It's great when all that time & effort put into training pays off! And just after I'd mentioned about the Copley and their fabulous hanging baskets they won a prize for them too. Of course there were lots of other prizes won last month at the Summer Fête and Duck Race, which are always great social events. The bunting [thank you Rob] & the welcoming sign [thank you Betsy] were in place early to promote the events & we were so lucky to have such a gorgeous day even though most of the stalls had to set themselves up in the shade! It was lovely that the Community Bus brought people from Downterry & Seaton and that other friends came from the St Germans, Polbathic & Widegates areas to join in the fun. The ladies & gentleman in the kitchen provided us with some wonderful fare & were kept busy all the time, while others searched for treasure, played table skittles, bought delicious samples of cakes & produce, found some gifts on the handicraft stall & had a go on the raffle for the quilt, took aim at the coconuts [thanks to Quay Sailing Club], let the mice loose, added to their bookshelves & bric-a-brac, had a go on the hoopla & the other children's games and bought Duck Race tickets. So **THANK YOU VERY MUCH** to everyone who joined us & all the volunteers who worked very hard to raise the amazing sums of £680.00 for the Fête & £488.00 for the Duck Race, all of which goes into the Friends of St Anne's fund for the ongoing maintenance of the Hall & the Church. I regret to have to inform you though that for all the brilliant tending of the ducks by the Duck Race stewards, a number of ducks have gone AWOL despite a second search for them on the day & further searches for them since! So to all you walkers who traverse down the Seaton valley path please watch out for them & prevent them from paddling out to sea! Maybe next month I'll have an update on the Institute building for you as I know many of you are interested in knowing how things are progressing. **Gardening tips of the month:** Don't forget to keep spending those pennies on Alison's table. Divide herbaceous perennials. Pick autumn raspberries. Collect & sow seeds from garden plants. Dig up remaining potatoes. Net ponds before leaf fall. Water new plants with rain or grey water. Reduce the frequency of houseplant watering. Clean cold frames & greenhouses ready for autumn. Cover leafy vegetable crops with bird-proof netting. Plant spring flowering bulbs. **Dates : Looe Music Festival, 21st – 23rd Sep; St Anne's Church, Hessenford HARVEST FESTIVAL & BRING & SHARE LUNCH, 30th Sep.**

Downterry and Seaton Village Hall The **COFFEE MORNING** on Tuesday 4th Sept at 10.00am, there are Tea Cakes back by popular demand - so come along for a chat and a lovely morning. On Sat 19th, is **the BIG BREAKFAST** and **AUTUMN PLANT SALE** always very popular. Turn up between 10.00am-1.00pm for your big

plate of egg, bacon, beans, tomatoes, sausage, toast, tea or coffee, all for £4.95. Bring a few friends with you, so you can all enjoy the wonderful fry-up...and browse the bric-a-brac stall. This is a double event, so whilst you are in the Hall, you can be thinking of brightening up your garden, there will be various plants to choose from, such as Polyanthus, Pansies, Violas, and perennials, don't leave it too late, as they sell very well. Heads up for **OCTOBER** 9th Coffee Morning 12th Carnival Week open meeting for all, 7.30, new ideas welcome 20th Big Breakfast, 26th Ninebarrow, innovative folk, back by popular demand. St Germans Flower and Vegetable Show results 2018

This year the show was formally opened by Mr Michael Stephens, who was presented with a gift to mark the occasion by Annabel Robinson. Michael spent time viewing the exhibits and agreed they were very pleasing on the eye and everyone had worked hard with the exceptional weather conditions to be able to put something on the bench. Returning after a year hiatus it was great to have Tony Lister back on top form winning most points in several classes as well as the JOE SANDY Trophy for best exhibit in vegetables. Joining the show while in the village on holiday was David Akinwande who won trophy for Best Exhibit Children's Floral Art. We also welcomed other new exhibitors who showed their skills within their classes. Julia Vickers won most points in Handicrafts with an amazing selection of knitted toys, garments and pin cushions, while Louise Coates, won best exhibit in Children's Photography and was placed in the Children's Cookery class. Young exhibitor Che Stephenson pulled out all

the stops again this year and won 7 trophies and 9 awards including best exhibits in Children's Gardening and Cookery and he shared the DYER Trophy for Most Points in Flowers with Hilary Kilborn who entered beautiful blooms. Che also won the Cornwall Garden Society Gold Medal Certificate for a second year with his 3 Collette dahlias. Exhibitors in the cookery classes cooked up a storm to tickle the judge's taste buds with 12 exhibits entered in the cake incorporating a vegetable class and increased numbers of entries in the jam and chutney classes. Glyn Anscombe won the trophy for Most Points in Cookery while Pat Hodge won the trophy for Best Exhibit in Cookery. Goff White's Best Exhibit in Art was a delight while Ken Gurr and Lizzy Stroud showed their photography skills off to perfection. Unfortunately due to the adverse temperatures floral entries were down this year, however, Jean Mills, Ann Drew and Mary Mortimore swept up the prizes in Floral Art with amazing arrangements. Teas and coffees were enjoyed throughout the afternoon and bargain purchases were enjoyed at the after show auction and raffle which was lead by Phil Searle with efficiency and great humour. All in all it was generally agreed that the show was another village success! **The St Germans Flower and Vegetable Show committee would like to extend their thanks to all those who exhibited or attended the show as well as thanks to everyone who helped 'behind the scenes'. Current Vacancy– Show Secretary** – having spent many years supporting our village shows it is with sadness that Margaret Walker has decided to step down as Show Secretary so if you can volunteer your time to help keep this show thriving please do get in touch. Downderry and District Community Bus

Our bus began operating in 1989 and we will celebrate it's 30th birthday next year. It's operation relies entirely on volunteers who help in many different ways. We now seek some additional volunteers to help our bus to continue running for the next 30 years ! Specifically, we need someone to take telephone bookings for our trips.

This could be an individual or a couple with a telephone and answering machine. If you are interested in finding out more about this role, I would be pleased to hear from you.

Please contact Steve Liddicoat on 250356.
