## Nature

A warm afternoon in the Seaton Valley in mid May enabled me to familiarize myself again with a few insects in the family Odonata, in other words dragonflies and damselflies. The latter are small and delicate but with patience there were four species to observe. The Large Red Damselfly is the earliest of the group to emerge and I usually find it in April. Some pairs were ovipositing. Next came the Azure Damselfly, the males of which are variegated blue and black, and the generally dark Blue-tailed Damselfly. The most striking of the four was the Beautiful Demoiselle, a larger species with a blue-green metallic body. It is a feature of unpolluted, fast-flowing streams though it was found along the path not too far away from the river. The only dragonfly encountered was the Four-spotted Chaser, much larger than the damselflies, and found well away from water. Soon I hope to see the impressive, black and yellow Golden-ringed Dragonfly, which often occurs along country lanes and is quite able to eat the occasional bumblebee. Alan Payne

**Seaton Butterfly garden.** We are down to two volunteers, and we have been doing as much as we can, but it is not enough to keep this garden from becoming overgrown, and just grass and weeds. We would

like some volunteers to come forwards to help, we would like anyone who can spare an hour or two to come and join us to clear up this lovely haven. We will be there every week, but in the second Monday of the month, the next ones being June 11th and July 9th, we would like to see if we can get some extra helpers. Don't worry if you don't know anything about gardening, our most prolific weeds are the sticky stuff, ivy, grass, bindweed, and there's always things than need cutting or snipping back. This is our last push to see if we can get more help, otherwise we might have to throw in the trowel!

Thank you

## **News from St Germans Parish**

At our Annual Parish meeting on the 24th April, our guest speaker was Sara Walker from Landrake Parish, who gave a presentation on their neighbourhood development plan. Sara highlighted the problems they experienced over the past 3 years and how they were overcoming them as their plan neared completion. On the 17th May, Andrew Prendergast of Cornwall Council gave a presentation to a number of councillors on Rural Housing. The presentation was well received as it highlighted some local housing issues which would merit further investigation.

On the ongoing A38 air quality issue, a new piece of equipment has been installed in Tideford, which will better measure the particulates given off by traffic passing through the village.

The cemetery wild flower meadow has been seeded and primroses planted along the path. The swings at Treland Park are being replaced and quotes obtained to replace the safety surface by the swings and multiplay areas.

Finally, there are now 3 vacancies on the council, one in each of the following Wards, St Germans, Tideford and Bethany; anyone interested in joining should contact the Clerk on "[stgermansparish@gmail.com](mailto:stgermansparish@gmail.com)

## News from Cornwall - Richard Pugh

Local news :- Cornwall Council gave me a date of the 18<sup>th</sup> May 2018 for the removal of the traffic lights on the Seaton to Hessenford road.

On that date the lights were removed and I am so grateful that they completed all the work on time. As I have said before I would like to thank all the residents of Donderry, Seaton, Hessenford and Narkurs for all their understanding and patience during the carriageway repairs. When you read this, extensive repairs to the sewerage system in Seaton should have commenced. A water run off pipe from a manhole adjacent to the toilets will be replaced so that spring water from the valley sides and surface water from Tregunnick Lane will not enter the SWW (South West Water) combined sewer which will help to stop overwhelming the local pumping station and reduce problems on the beach area. Although a trench will have to be excavated through the park access should be maintained at all times. The work will be completed by 1<sup>st</sup> July 2018. Cornwall Councillors have agreed to install sprinkler systems in all the homes that the Council builds and commissions in the future. The Housing Development programme which will see Cornwall Council invest £170 million in directly building 1000 new homes on sites around Cornwall. Sprinkler systems will be installed in all the new houses at a cost of £1.8 million. The developments will be a mix of homes for the private market rental with 35% for affordable rent or shared ownership, 15% sold on the private market and 50% available for private market rental.

Cornwall Councillors are committed to exploring the future potential of hot rocks beneath Cornwall by approving a £1.4m grant to Eden-EGS Energy to unlock a new deep geothermal project at the Eden project in St Austell. If successful this could secure Cornwall's energy supply, potentially reduce energy bills for residents in the future and create more high quality jobs in engineering, research and technology for the next generation of school leavers. If I can help residents with any Cornwall Council related problems please contact me. [richard.pugh@cornwallcouncillors.org.uk](mailto:richard.pugh@cornwallcouncillors.org.uk) 01503 220768.

## Hessenford WI

After the Business matters were dealt with Yvonne Byles read Angela Crook's report of The Spring Countdown Meeting. The Resolutions session began with an update by Pat Paxton who said that Food Matters and the Loneliness campaigns are progressing well. Three eminent speakers spoke on the new national resolution on Mental Health. All emphasised the point that early recognition and intervention are key to successful outcomes. In the afternoon the first guest speaker, Kathryn Radcliffe, gave an illustrated talk on the Cove Macmillan Centre at Treliske. Second speaker Tim Bentinck alias David Archer of Ambridge entertained with many very amusing stories. We then discussed the above Resoulution and voted to give power of discretion to our link delegate, Yvonne Byles, at next month's NFWI Annual Meeting in Cardiff. Garden Party at Hessenford Church Hall on June 30th 2018, 2 - 4p.m. Admission £4. All welcome. Hats and flowery dresses would be lovely. Our meeting on 5th June is "Connecting Your Inner Healer" with Dr. J.M. Clarke.

## Downderry WI

Two events to look forward to this month. On June 5th, Zone, 2.00 pm, we shall be holding our Summer Tea Party, to which members from other WIs have been invited, and our meeting on June 12th is an Open Meeting, all welcome. The speaker will be Jen Cardew, physiotherapist, telling us how to look after ourselves. See posters for details. Further info. Pat, 250161.

## The Quay Sailing Club

43RD ANNUAL GALA SATURDAY 23RD JUNE  
AT 12PM

The Quay Sailing Club looks forward to welcoming friends old and new to our Annual Gala on Saturday 23rd June at 12pm on the beautiful quay at St Germans, with good old fashioned fun for all the family. As always there will be lots of action on the water with our Flashboats and if you're feeling energetic why not have a go yourself. If that sounds a bit too much for you you could take a leisurely boat trip on this beautiful stretch of river in the lovely Drascombe Longboat Chouette. This year we welcome some new and exciting stalls as well as our ever popular regulars for you to browse and as always there will be lots for our younger friends to enjoy, and don't forget to visit the clubhouse to see the wonderful artwork from the children of St Germans School. When you've had enough browsing why not sit and enjoy the wonderful scenery with a burger or hot dog from the BBQ, or a delicious cream tea or home made cake from the galley. For those who would like something a bit stronger the club bar will be open, and who can resist a visit to the Pimms tent and of course it wouldn't be a gala without Icecream. Proceeds from this years Gala will be shared with Kids on the Water, the RNLI and The Quay Sailing Club. We look forward to giving you all a very warm welcome on Saturday 23rd June.

## St Germans Priory Church Events

ST GERMANS PRIORY TRUST AGM At ST GERMANS PARISH CHURCH

TUESDAY 12th JUNE 7.00pm We will welcome Dr Jo Mattingly to talk about the interesting archeological history of the building. Light refreshments. Open for everyone to attend free. We look forward to seeing you.

CREAM TEA AT ST GERMANS PRIORY. A series of afternoon Cream Teas will be held at St Germans Priory during the summer. The first one will be on Friday, 29th June from 2pm - 4pm. These are being held to help the Priory Trust raise funds for the work required to clear the dry rot which has recently appeared in the building. Do come along for a fabulous cream tea (Cornish style!) held in beautiful surroundings and to help keep this historic building in good repair. The Priory is a great place for holding all types of events from children's film shows to the East Cornwall Bach Choir Concert. Check out the Priory website for more details - [www.stgermanspriory.info](http://www.stgermanspriory.info)

ART OF WEDDINGS SHOW. SUNDAY 3rd JUNE 11.00am - 3.00pm admission free. Whether you are just starting to plan your special wedding day or require those last minute accessories we can sure you that this show has got it covered. We look forward to seeing you.

## St Germans and District Garden Club

Terry Underhill gave us our last talk before we break for the summer.

"Gardening on a Shoestring" gave us lots of money saving ideas.

Two garden visits are planned in June. On Sunday 3rd we will visit Andrew's Corner near Okehampton which is open under the NGS charity scheme, and on Saturday 23rd we will visit RHS Rosemoor which should be in full bloom and is also holding a Craft Fair that weekend.

## Hessenford News

Hello again! Hasn't all this recent wonderful weather been just gorgeous, I do hope it continues throughout the summer months and whilst everyone is on holiday. First of all **St Anne's Church would like to thank all the people who came together to produce the wonderful displays last month.** I know those of you who came to see them said how beautiful the church looked. It just showed what a variety of talent we have in the local community. We raised £320 from the event for the repairs fund and nearly half of that came from the Hessenford WI ladies & all their other helpers who provided refreshments in the Church Hall, so a BIG thank you to them too, and to the people who spruced up the seat outside the church. Also glad afterwards to be able to deliver a few posies round the village to various people, including Jean Retallick who has been the recipient of some special TLC from the NHS just recently, lovely that she's back home again. The Commonwealth War Graves Commission has now put up a plaque at the entrance to the graveyard so that people are aware that there are war graves in our churchyard, casualties from the first and second war. Details of all war graves can be accessed through their website: <https://www.cwgc.org/> We have a job for some young people who are not afraid of heights/ladders to do a bit of maintenance on the wrought ironwork above the gate there, any offers contact Fran on 240756. Thanks! We have a secret angel doing some maintenance work on the wrought iron church entrance gates as I write. It's lovely when people just do things that need doing around the village when they are able. I know also that the Bradburn family would like to say a BIG thank you to everyone who has supported them during this very sad time for them and for being so generous when it came to raising money for MIND & the Air Ambulance. Don't forget to continue to support them and if you are musically minded come to Open Mic on Wed, 6th June. **Gardening tips of the month:** Hoe borders regularly to keep down weeds. Be water-wise, especially in drought-affected areas. Pinch out sideshoots on tomatoes. Harvest lettuce, radish, other salads & early potatoes. Position summer hanging baskets & containers outside. Mow lawns at least once a week [Thanks to everyone who has already cut the village hall grass & is willing to do it on an ad hoc basis]. Plant out summer bedding. Stake tall or floppy plants. Prune many spring-flowering shrubs. Shade greenhouses to keep them cool & prevent scorch. And don't forget the sunscreen! **Thought for the Month/Year:** "We must discover the power of love, the redemptive power of love," Bishop Michael Curry said. "And when we do that, we will make of this old world, a new world." [*Dr Martin Luther King*]. **Dates for your diary/calendar:** Royal William Yard Good Food & Craft Market or Tavistock Steam & Vintage Fair 3rd June, Saltash Regatta & Waterside Festival 9th & 10th June, Menheniot Cherry Fayre & Carnival 16th June, Polperro Festival starting 19th June, Rainbow Run in Newquay 24th June, Armed Forces Day Plymouth 30th June, Hessenford BIG LUNCH TBA, Hessenford Fete & Duck Race 4th August.

## Open Hearts Open Borders Refugee Aid

We are sending our 6th Container - it is going to the Attika Warehouse in Lesvos at the end of June. The items we desperately need donated are: Toiletries for men and women . Toothbrushes and toothpaste. Nappies - Wet Wipes and Baby Toiletries, lotions, cotton wool and baby milk New socks and underwear for men women and children! New flip flops - they are only 90p in Primark. Vegetarian Tinned and dried food items. Summer scarves for women Men's and women's t-shirts Blankets Sleeping Bags. Local drop off points are SPorch of St Nicolas Church, Donderry (contact Biddy), and Aparanda in St Germans (contact Lizzy). So far since we started sending aid in 2015 we have shipped nearly 80 tonnes of aid!

## St Germans Rail Users Group - Bus and Train Meeting 19<sup>th</sup> June

At the meeting, we will vote on proposed constitution changes, to call the group "St Germans & area Public Transport Group", and to include various references to buses and bus users as appropriate. The meeting (St Germans Methodist church, 7 p.m.) will give time for discussion of both bus and train matters. Sara Rogers is the new station

manager at St Germans, and she and Matt Barnes, the GWR Regional Development manager, will be there to give you the latest on train news, including big changes in the timetable for January 2019. James Church, from Go Cornwall / Plymouth City Bus will also be there to field questions about the new bus

timetable (which started on 29<sup>th</sup> May). There are major issues about journey times, connexions, and timings which people in St Germans and Donderry are already raising. It would be very useful if you could let us have questions and problems to do with TRAINS and BUSES, which can be sent to GWR and City Bus, as appropriate, before the meeting. Please let me have them by Monday June 11<sup>th</sup>. 01503 230106; [a.cousins345@btinternet.com](mailto:a.cousins345@btinternet.com) Alan Cousins

## Help Wanted....

I am conducting a study on behalf of Northumbria University exploring the different ways that people value heritage. This includes cultural heritage institutions and the wider community in Cornwall. The aim is to look at models where valuing is shared, increasing diversity in heritage management. I would really appreciate people taking part in this study by giving their views anonymously via an on-line questionnaire. Just click on this link by 31st July 2018

## Downderry and District Community Bus 300 club

The draw for the 300 club was made at the May coffee morning and the winners were. 1st..no. 81- Peter Adams, 2nd..no. 37- Margaret Walters, 3rd.. no. 21- Stella Parnell. Eight people did not renew their subscription in time to be included in the draw. This means that they have to be added onto next month 's list, which makes more work for me. I know we can get this sorted between us, so please try and help me. See you at the next coffee morning on 15th June at the village hall. Sue Langridge 250532

## St. Germans Community Centre 47<sup>th</sup> Open Flower and Vegetable Show – Eliot Hall

Saturday 4<sup>th</sup> August 2018

2.30 – 4.30 pm

Only **80** days to go!!

Or it is at the time of writing today's article.

We hope that your seeds are all sown and the sunny weather gives a break or two for some welcome rain rather than us all having to rely on watering by hand, a time consuming task.

Over the past few days we have been discussing who we think might take home the trophies this year. Will **previous winners hold their title or will past exhibitors return** to regain the title? Perhaps the silverware will be taken home by **new exhibitors** this year...who knows!!!

Our household has ear marked what classes everyone is entering and no doubt we will be listening to clicking needles and the snip, snip of scissors over the next few weeks before the oven gets turned on for a bit of baking. Have you decided what you are going to enter yet? If not there is still time to collect a copy of the schedule and choose a class that takes your fancy.

Being an **OPEN SHOW** anyone and everyone is welcome so **if you have relatives visiting on show day why not suggest they bring along an entry?** If you know someone locally – **but not necessarily in St Germans** – that would like to show their wares please do pass along a show schedule for them to have a look at. If you are a **member of a club or group** that may not be aware that our show is held annually please do pass along our show details and let everyone know they will be met with a warm welcome on the day.

Light refreshments will be available throughout the afternoon and any contributions of fruit, vegetables, flowers, pot plants, cakes preserves etc will be most gratefully received for the produce stall for sale on the day.

Hopefully you will have picked up your copy of the show schedule from the **COMMUNITY SHOP - ST GERMANS, QUAY LANE SURGERY - ST GERMANS OR DIRECT FROM THE DROP BOX OUTSIDE 67 ELIOT DRIVE - ST GERMANS**, however, if you have not there is still plenty of time to collect a copy, choose your classes and have a go!

Cat Miles – Publicity Coordinator

## **St Germans Thursday Club** - not the Youth Project, but young at heart!

Our trips to Wadebridge/Trelawney Garden Centre, and to Looe/Hannafore were much enjoyed. Each town has a small museum with enthusiastic volunteers. Both museums have interesting objects (eg a pram about a century old from an attic in St G, an old mangle and a Cornish range) and many old photos and other archives. The branch line train ride, Liskeard to Looe, gave us leisurely time to reminisce, and watch the scenery - birds, river and trees. And of course there are the shops...

Thursday 14th June - members go for afternoon tea at The Bungalow at Craffhole.

Thurs 28th June - our next full-day outing will be to Tavistock over the moor. Tavistock Museum (by the Market) is open Mon-Sat 11am - 3pm

No admission charge. Then there's the shops, the Market itself, The Wharf Centre, the canal and the Library. A most historic town.

There may be a few places left for either trip; why not become a Thursday Club member and join us? Contact Jenny Putt (230766).

This report by Sue Cousins (230106); for sharing info. about local museums and libraries, and the ongoing gathering of local history.

## **Polbathic Hall**

June 3rd. **BIG LUNCH.** Community get together Bring and share lunch. Doors open 12.30 for 1.00p.m. Everyone welcome.

Also June 30th. Pasty/Pud lunch from 11.30 until 2.00pm. £6 ticket. To book ring Dawn 230 412.

Come and have a chat.

Free tea/coffee. Pasties freshly baked in Hall.

## **Eliot Hall - Get ready for Wimbledon!**

On Tuesday 19 June the Eliot Hall Community Centre in St Germans will be serving tea, scones and strawberries in the run up to Wimbledon. Come along between 2 and 4 pm for a warm welcome and a taste of summer.

## **Thanks**

Thanks all for a fantastic response to our call for volunteer deliverers. All areas are now covered, however we always welcome backup so if you are able to help in any way then please let us know. Whilst embracing the digital age with Nut tree online, our continued aim is that each home within the 2 parishes receives a copy through the door.
