July 2019 Volume 33 (5)

## Magazine of St. Germans & Deviock Parishes & Councils

A reminder to all our readers, contributors and deliverers that there will not be an August edition this year so we can all take a well earned (and hopefully sunny) break. See you all again in September. Please email copy to [nuttree.editor@yahoo.com](mailto:nuttree.editor@yahoo.com) or post to 'Tremaye' Downderry by the 17<sup>th</sup> of the preceding month. Any enquiries, email or ring 250629.

**Nature** As I entered the garden shed I heard a loud buzzing sound and immediately expected to see a bee eager to escape. To my surprise and delight the insect turned out to be a hornet. Since it was May this individual was a queen and eager to build a nest. Hornets prefer cavities in trees so there was little chance of its setting up home in the shed, but taking great care I began the task of encouraging it to leave. There were a few spiders' webs to negotiate but the hornet did not appear to find them any obstacle. Suddenly out of its hiding emerged a spider, having detected the vibrations and no doubt hoping to envelop the intruder. However it took one look at the opposition and scurried back into its hole. Eventually the hornet was released and I reflected on the rarity of the experience. Last summer I saw a few hornets around flowers in the Seaton Valley, but not here in my garden. Despite their reputation I savoured the opportunity to get close and appreciate their brown, red and yellowy-orange colour and large size. Hornets do strike fear into some people but they tend to be less aggressive than wasps, their close relatives, and are useful in reducing the number of other insects. Two other types of insect in England have evolved to look like a hornet, namely a couple of moths and a hoverfly, but they are totally harmless. However, we should be aware of the invasive Asian Hornet which has been seen in England and can be a deadly nuisance around beehives. Alan Payne

## News from Cornwall - Jesse Foot

I wear many hats, both in real life and in a metaphorical sense. As your Cornwall Councillor, I wear many metaphorical hats. One of these is as Chairman of the Cornish Minority Status Working group. One of the main aims of the group is to "lead, promote, and celebrate Cornish National Minority Status." In celebration of the 5th anniversary of the Cornish being recognized by the UK government as a national minority, the working group is preparing to host the first ever UK National Minority Summit on the 5th July. The event will bring together representatives from the UK's national minorities, aiming to strengthen the links between UK minority nations, and to examine future opportunities for working together to deliver upon the principles of the Framework Convention. The event will host keynote speakers Lord Bourne, the Parliamentary Under-Secretary of State at the Ministry of Housing, Communities and Local Government and Professor Doctor Tove Malloy, a highly regarded political theorist and member of the Framework Convention for the Protection of National Minorities European Advisory Committee. The aim of the day is to

highlight best practice and explore some of the challenges each group faces in achieving the objectives of the Framework Convention, including social justice, freedom of expression, and cultural respect in our diverse society. It is hoped that this will become a reoccurring event. The Minority Summit is funded by the Cornish Cultural Fund from central government and administered by the working group. As summer has arrived and the sun seems to be getting ever hotter, may I take this opportunity to encourage one and all to wear sunscreen and/or a nice sun hat! If you have any questions about the Minority Summit or what other hats I wear, please get in touch. ## **Hessenford 2019 Fishermen's Mission Collection**

Thank you to all those who gave to the collection this month. It was heartening to hear that so many donors understand the importance of the work the Royal National Mission to Deep Sea Fishermen. ## **The Zone a Fresh Expression of the Methodist Church in Donderry**

**The Chapel by the Sea.** The service for July is Sunday 7th at 6pm and will be taken by our Superintendent The Reverend Jonathan Budd. There will be refreshments after the service. We welcome everyone to join us.

**Hessenford WI** President Jackie welcomed members and introduced Anthony Blacker M.B.E. Thirty five years ago he and his wife Cherry bought a house and 10 acres of land near Launceston. They were self confessed urbanites but with a love of animals. Over the years they planted trees, bulbs, dug out ponds and learned how to look after animals. They have now established a charity “ The Cornish Nature Conservancy” to promote the conservation of British wild animals, worldwide cats and other birds and animals to save them from extinction. Their passion, commitment and care inspired us all and we are hoping to visit them in August. On June 1st we held a small “Big Lunch “ to which we were delighted to welcome past members and also members from Duloe W.I. A thoroughly enjoyable time was had by all. Those members who had visited “The Glass Shack “brought the beautiful suncatchers they had made which were much admired. Our next meeting on 2nd July is about “The Fisherman’s Mission”. Visitors very welcome, 7p.m. Widegates Hall.

## **Downderry and Seaton WI**

We cannot let this momentous occasion pass, when one of our oldest members Tina Jeffries, who celebrated her 90th birthday 3 days later, flew like a bird on the Zip Wire at the Eden Project and got a mention in the Cornish Times. Well she wasn't the only one from Downderry and Seaton WI to complete this feat, our outgoing President Pat Paxton also did it. I mention this because we are intensely proud of our members and the WI gives women opportunities that they would not necessarily have. Now the summer has arrived and in addition to the very interesting meetings on 2nd Tuesday of the month at 1.00 p.m. in the Zone we have got lots of extra-curricular activities. Why not give us a try if you are free. This is a really good way of meeting new people if you are new to the village. We are exceptionally friendly and will give you a warm welcome. We have a Summer Party on 2nd July, a lovely garden party at Bocconoc House on 7th July to celebrate the Centenary of Cornwall Federation of Women's Institutes, a visit Looe Island 11th July, weather permitting and a group Summer Tea Party in Kingsands on 13th July. Its just one social whirl! We are stepping up our efforts in the WI Garden and getting on with the Community Herb Garden. In order to do this we have changed the Gardening Group day to Thursdays in July to 4th and 18th then fortnightly until further notice. Same time though from 10.00 a.m. to 12.00 m.d. finishing with a coffee break and a natter. The singing group on 23rd July will be the last until October as we will not be having one in August and September owing to holidays. So if you fancy a bit of a sing and fun come along to the Zone at 1.00 p.m. to 3.00 p.m. **Keep the date - 12th October 2019 Wine Tasting in the Downderry and Seaton Village Hall. £8,00 per ticket.** This will be a splendid evening and give you a chance to taste some fine and more expensive wines that you may not have thought of. Tickets will go on sale at the beginning of September. More details to follow. Please contact Maura Swabey (WI President) on 01503250322 or [maura\\_swabey@yahoo.co.uk](mailto:maura_swabey@yahoo.co.uk) if you want to know anything about the happenings above or indeed want to know more about the WI in Downderry and Seaton"

**Hessenford News** I hope all your activities weren't washed out during monsoon June as they called it but hopefully there's better to come in July & August! However, despite some inclement weather, we can start this month's news by saying 'Congratulations' to a four legged resident of Hessenford who took part in the West Devon Gundog Club novice competition in Sydenham House woods the other weekend and came 2nd out of 24 dogs, performing seen and blind retrieving tests over land and water, coming home with a certificate and a beautiful blue rosette attached to his collar. Of course you know who I mean don't you? Yes, it was Mr Merlot of Primrose Cottage having been competently trained by Zoe. Unfortunately his younger mate Rosco wasn't quite as good but before long we'll no doubt be congratulating him too. I expect those of you who take a walk up Church Hill have seen the work that's been completed on the Lytch Gate of the church and we have Philip to thank for this. He's completed some repair work on the gates and finished off putting some protective stain on the rest of the woodwork. He's pretty handy as he's also done some work on the church guttering. Who went to the Open Mic evening at the Copley last month.....good evening.....so many talented people.....there's another one on 3rd July, so don't forget to give your support before the break in August and look out for other events and offers. Don't forget to contact me on 240756, if you don't happen to see me around, if there's anything you'd like me to mention in the next news bulletin 'cos it's good to have your input.

**Gardening tips of the month:** Don't forget to check out Alison's tables for flower and vegetable plants ready to fill a space in your garden beds and borders, as she's got a great selection. Check clematis for signs of clematis wilt. Make sure you arrange care for house or greenhouse plants whilst on holiday. Water pots and new plants if dry, but be water-wise. Deadhead bedding plants and repeat-flowering perennials to ensure continuous flowering. Pick courgettes before they become marrows.....according to Monty they should be picked when they're about the size of your middle finger or your favourite sausage! Treat apple scab. Clear ponds & keep them topped up. Order catalogues for next year's spring flowering bulbs. Give the lawn a quick-acting summer feed if you didn't give a spring one. Thanks to everyone who has already cut the village hall grass and continues to do so. If there's anyone who'd like to cut the lawn round the church their help would also be much appreciated.

**Thought for the Month:** Let your smile change the World, but don't let the World change your smile. **Dates for your diary/calendar:** Looe Lugger Regatta, 5th to 7th July; Liskeard Show, 13th July; Guided Walk on St George's Island, Looe, 15th July; Ice Cream & Bubbles Festival, Mount Edgcumbe, 21st July; Port Eliot Festival 27th – 30th July; Art & Craft Show, Donderry, 27th July to 4th August; **Hessenford Fete & Duck Race 3rd August;** Pengrillie BBQ Festival, Pentillie, 4th August.

The Wednesday Community lunches will be taking a summer break. The last one will be on Wednesday 17th July and they will recommence Wednesday 18th September.

## **Downderry and Seaton Residents Association**

The Downderry and Seaton Residents Association has a new logo. We hope you like it. We want residents to identify with it as DaSRA is *your* Association so when you see the logo it relates to some news or information that could be of interest to you. It is important that the Management Committee of DaSRA is recognised as being representative of the residents that we represent, so we welcome contact with anyone living in Downderry and Seaton interested in being actively involved in what we do. Do contact me if you are would like to know more. 01503 250911. A few weeks ago, as Chair of DaSRA, I contacted Cornwall Council regarding the deteriorating state of the **Seaton Children's Play Area**. This matter had been raised with DaSRA by parents from St Nicolas PTA and, together with 2 parents as active users of the Play Area, we met in Seaton with the person nominated by CC to maintain the site. He reported on our discussion to CC and within a short time, I received confirmation from CC that they have earmarked up to £50,000 towards essential maintenance, repairs and replacement as a phased capital project. Once essential work has been carried out, and subject to budget, there is the potential for further replacement equipment selected by the public using an on-line questionnaire system. CC is commencing public consultation to make people aware of the proposal and to obtain views and aspiration for developing the next stages. It would be great if parents, and of course grandparents, and others who value having such a facility available to residents and to visitors respond to the survey. The link to the on-line survey is [www.cornwall.gov.uk/playareas](http://www.cornwall.gov.uk/playareas) and deadline for the close of the survey is **Sunday 21 July 2019**. Laura Done, Chair.

## **St Germans Thursday Club**

Thanks to all in the St Germans Community Shop - staff, volunteers and customers, who contributed to our collecting tin in May. The total raised was £34.90. On 13th June, we enjoyed the talk on Crossing the Tamar, given by Les Deering, Heritage Guide of the Tamar Valley Centre. Our speaker illustrated his talk with his own photos of the various crossings from north to south, source (just miles from the sea at Bude) to Plymouth, and covering the centuries from the middle ages up to the most recent crossing - the 1961 road bridge at Saltash. The photos brought us memories of past visits and spurred plans for future visits to the hinterland of the Tamar again. If you haven't yet picked up a copy of The Valley, the Tamar Valley AONB free newsletter, do so, make a visit to the Centre in Drakewalls PL18 9FE, and check the website [tamarvalley.org.uk](http://tamarvalley.org.uk). JULY 11th a half-day outing to Saltram, and hoping for good weather, of course. The bus leaves at 1:30 pm. JULY 25th another afternoon outing, to Pinsla Gardens, near Cardinham. The cost is garden £3, and tea and home-made cakes £4. Contact Trish Gregory 230697. Non-members may book for outings; priority to members, of course. Membership is still only £10 a year. Other sections within the show you may be interested in are: Floral Art, Flowers, Vegetables, Art, Cookery, and the much loved Children’s only section. **All** the sections have a class for children so if your loved one is a dab hand with a brush or is green fingered by nature then do pick up a schedule today to see what classes we have to inspire them. Show schedules are going well and are currently available from **ST GERMANS COMMUNITY SHOP – St Germans, and DIRECT FROM THE DROP BOX OUTSIDE 67 ELIOT DRIVE - St Germans**. **CURRENT VACANCY** – **Show Secretary** – having spent many years supporting our village shows it is with sadness that Margaret Walker has decided to step down as Show Secretary so if you can volunteer your time to help keep this show thriving please do get in touch. If you have some fresh ideas to help take the show forward towards its 50th year anniversary in 2021 or can spare a couple of hours around show time next year then **please do contact Margaret on 01503 230471**.

## **St Germans Group Parish Pastoral Team Need a listening ear?**

The Pastoral Team are here to help. What can we do? We are a trained team with members from the different villages which make up the St Germans Group Parish. Our listening service is freely available to everyone who lives in the parish, whether or not they go to Church; in fact the Church will not even be mentioned unless you wish to broach the subject. We see our role as offering good listening and responsible friendship. You might be new to the area and feeling a bit lost, recovering from an operation, or feeling a bit below par. Life might feel a bit overwhelming at the moment, or you might be caring for someone and want a bit of space. You may have lost someone dear to you. You may like a prayer to be said for you or a loved one. These are just a few examples, of course. To receive more information, or ask for a visit, our co-ordinator can be contacted on 07979 515100. The person who visits you will get in touch with you first, and if you would still like a visit you can arrange the best time with them. When a team member visits for the first time they will always show you their ID, issued by the Diocese of Truro.

For a trial period the Downderry and Seaton Community bus will pick up passengers for Truro and distant trips from Narkurs by the telephone box. Unfortunately this service will not apply to the regular trips to the likes of Liskeard and Plymouth but we are hopeful for the future. Please note the bus will only pick up for pre booked seats.
