There were no declarations.

Public Participation for a maximum of 15 minutes in total (*for the public to comment on the items below*)

There were 4 members of the public present.

One member came to speak about the St Germans Recreation field and the ongoing costs. They are looking to put in a new wooden shed due to recent vandalism to the mower in the current shelter. Groundworks would be at cost price which would still be around £600.00 plus the shed. The rent for each year needs paying (at £800), the annual insurance is £770. The ash trees on the lower part need attention and a recent quote was £4000.00 to make them safe. The Committee are looking into whether the ash trees are their liability or Port Eliot's. The Parish Council asked that a grant application form is completed by the Committee. The Clerk will send the form to be completed.

The other person was representing the May Tree Fair Committee.

2. Apologies for absence (members who cannot attend a meeting shall tender their apologies to the Parish Clerk prior to the meeting. The members present must decide whether the reason(s) for a member's absence shall be accepted).
