### Monday & Tuesday Shopper Buses.

We aim to arrive at the supermarkets which have cafés for around 12 noon and stay for 1hr 30 mins. Hopefully this will give sufficient time to shop if you want, have lunch or a drink, possibly meet a friend and have a chat then come home. There isn't any obligation to shop, if you just want to get out, come and join us.

Phone Yvonne on 01752 417652 to book a seat.

### Evening Runs

We'll drop you back to your door and wait until we see your house lights come on.
